

**CONGRESS OF BLACK WOMEN OF CANADA
MISSISSAUGA & AREA CHAPTER**

April 27, 2020

For Immediate Release

Congress of Black Women of Canada
Mississauga and Area Chapter
4983 Rathkeale Road - Office
Mississauga, ON

The Congress of Black Women of Canada Mississauga and Area Chapter will not be awarding scholarships this year (2020).

The impact of COVID-19 has had an adverse impact on the way we work, and on our planning process for this annual event. However, we do want to create the space for 2020 high school graduates to be able to apply for our annual scholarships.

We invite 2020 high school graduates to apply to our annual scholarship awards program, by completing our standard application package. Please follow the procedures on the attached application form (revised to accommodate this change for 2020).

The deadline for us to receive your 2020 application is Friday, July 31, 2020.

These applications will be held until next year (2021), at which time we will shortlist and decide on the successful applicants from the 2020 applications.

All successful applicants from 2020 applications would have already started their post secondary education, and will therefore receive their full award at once.

Please refer to the application package for more information. Thank you.
